Case No. 26 CR I 04 0231

JUDGE MARIANNE T HEMMETER

JUDGMENT ENTRY OF SENTENCE OF NON-REPORTING
COMMUNITY CONTROL

On October 12, 2026, the Defendant's sentencing hearing was held pursuant to R.C. 2929.19. The Defendant was present in Court and was represented by Dominic Mango. The State of Ohio was represented by Assistant Prosecuting Attorney Alicia Harris. Also present was Hindi interpreter Rabia Khalid. The Defendant was afforded all rights pursuant to Crim.R. 32.

The Court has considered the record, oral statements of counsel and the Defendant, any victim impact statement, and any presentence investigation report prepared by the Delaware County Office of Adult Court Services, as well as the purposes of sentencing under R.C. 2929.11. The Court has also balanced the seriousness and recidivism factors under R.C. 2929.12.

The Defendant previously entered a plea of Guilty and the Court found the Defendant Guilty of:

Count One	Attempted Theft from a Person in a Protected Class	In violation of R.C. 2923.02/2913.02(A)(3)	A felony of the second degree
-----------	--	--	-------------------------------

The parties agreed to a joint recommendation for community control with a term that the Defendant serve 180 days local incarceration for time served.

The Court finds both of the following, pursuant to R.C. 2929.13(D)(2):

- (a) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.
- (b) A community control sanction or a combination of community control sanctions would not demean the seriousness of the offense, because one or more factors under section 2929.12 of the Revised Code that indicate that the offender's conduct was less serious than conduct normally constituting the offense are applicable, and they outweigh the applicable factors under that section that indicate that the offender's conduct was more serious than conduct normally constituting the offense.

Pursuant to R.C. 2929.16(A), it is therefore ordered that the Defendant serve 180 days of non-reporting community control, to be served as a residential sanction in the Delaware County Jail. The Defendant shall receive 178 days jail-time credit. Once Defendant serves his jail days, Defendant will be unsuccessfully terminated from community control.

During this period of community control, the Defendant shall refrain from any misconduct or violations of law and abide by the rules of the Delaware County jail.

The Defendant shall pay all costs of this case. Additional costs and fees that the Defendant must pay may be imposed pursuant to R.C. 2929.18(A)(5). Pursuant to R.C. 2947.23(B), if the Defendant is unable to pay costs as ordered, the Court may order the

Defendant to perform community service toward costs until judgment is paid or the Defendant begins making regular payments. The Defendant will receive credit at the specified hourly rate per hour for each hour of community service performed, and the judgment will be reduced accordingly

Any bail in effect in this case is hereby released.

IT IS SO ORDERED.
