On September 15, 2026, the victim in this case, [redacted], completed an online report regarding a fraud case. On September 15, 2026, I was assigned to conduct a follow-up investigation on this case. Upon receipt, I began making contact with all of the store locations where the fraudulent purchases were conducted, collecting receipts of the transactions along with video surveillance of the suspect conducting the transactions. Various Axon Community Requests were sent to obtain receipts and video surveillance.

On September 21, 2026, I responded to the victim's residence and made contact with [redacted], also known as [redacted] regarding this case. [redacted], whose legal name is [redacted], provided a sworn recorded statement via BWC attesting to the facts of this case. [redacted] confirmed that he wishes to prosecute for the fraudulent transactions made on his credit account through Barclays Master Card and is unaware of who or how his credit account was compromised as he still currently has the physical credit card in his possession and has not ever lost or had the card stolen or replaced, until this incident. He still has the old credit card and just received a new card in the mail that has yet to be activated.

Additionally, a subpoena request to Barclays was requested on 9/21/26 to obtain information regarding the fraudulent credit cards opened under the account.

Surveillance video was obtained from Dick's Sporting Goods in Boynton Beach and photos from surveillance have been obtained from Walmart in Greenacres. Kohl's and Publix were both sent Axon Community requests to obtain further video and Loss Prevention at both stores are aware of the videos being requested. With the surveillance obtained thus far, both videos show an unidentified black male. He is approximately 5'10" in height with a medium build and about two-inch dreadlocks. In both videos obtained, since they were on different days, the suspect is wearing different dark colored clothing, however, in both videos he is wearing a hat, and black Nike slides. He also appears to have a short goatee and no visible tattoos.

I reviewed Walmart surveillance video while at the location and observed the suspect using a physical credit card at self- check-out that appeared to be a light blue or gray colored credit card with a MasterCard symbol on it. Walmart was unable to extract and upload the video footage from this incident as the loss prevention associate was not present that day. I have made continued efforts to obtain the footage from the loss prevention associate but have been unsuccessful. To date, only photographs of the suspect on surveillance video have been obtained.

With the still photos from the surveillance collected, a Need to Identify bulletin was created and distributed in an attempt to identify the suspect.

On September 22, 2026, the subpoena was received. On September 23, 2026, the subpoena for Barclays was clerked and served via email. Results are pending.

Receipts of the following transactions made by the suspect were received and uploaded to Evidence.com:

1. Dick's Sporting Goods - Boynton Beach - $64.99 8/11/26
2. Kohl's - Boynton Beach - $106.54 8/11/26
3. Publix - Lake Worth - $$117.53 8/27/26
4. Kohl's - Royal Palm Beach - $112.91 8/27/26
5. Walmart - Greenacres - $88.50 8/27/26

Additional video surveillance was received for this case from both Publix locations and Kohl's. All surveillance videos depicted the same male suspect conducting the fraudulent transactions. In all surveillance videos, which are uploaded to evidence.com, the suspect was wearing a hat and actively tried to conceal his face from surveillance cameras.

The following are the specific transactions made per the victim's credit card statement:

August 11, 2026 card number ending in [redacted] - total - $377.19

1. Dick's Sporting Goods - Boynton Beach - $64.99
2. Kohl's - Boynton Beach - $106.54
3. Walmart - Lake Worth - $88.84
4. Publix - Greenacres - $116.82

August 27, 2026 card number ending in [redacted] - total - $318.94

1. Kohl's - Royal Palm Beach - $112.91
2. Publix - Lake Worth - $117.53
3. Walmart - Greenacres - $88.50

The total for both days of fraudulent transactions made by the suspect was $696.13.

Through investigative means, the suspect was tentatively identified as Reginald Julien, B/M DOB [redacted]. On September 30, 2026, Detective Clint Burns of the Davie Police Department, in Broward County, FL positively identified Reginald Julien in the photograph on the Need to Identify Bulletin in this case. Burns confirmed that he had prior contact with Julien during a fraud investigation from 2025, documented under Davie PD Case # 25-077327.

Based on the above-described investigation, the suspect knowingly possessing credit cards that were in the victim's name, the suspect conducting several transactions with the cards on two separate days with 4 charges being over $100 and an additional aggregated charge of over $100, I find probable cause exists to charge Reginald Julien with the following:

2 counts - USE CRED CARD OBTAIN GOODS 2+ TIMES $100+ - FEL - contrary to F.S.S. - 817.61
2 counts - USE POSS ID OF ANOTHER PERSON W/O CONSENT - FEL - contrary to F.S.S. 817.568(2)(A)
5 counts - PETIT THEFT MERCH/FARM/TRANSIT $100-$750 - MIS - contrary to F.S.S. 812.014(2)(f)
