MEDIA STATEMENT

Senior Star | The Kenwood
November 9, 2026

FOR MEDIA INQUIRIES

Senior Star is aware of a broader financial theft investigation involving an individual employed by a third-party service provider at The Kenwood. To respect the ongoing investigation, communication had previously been limited to affected parties only. Now that the Cincinnati Police Department has publicly released details of the investigation, including arrests and criminal charges, we can speak more broadly about the matter.

No Senior Star associates were involved in the alleged activity. The third-party provider continues to work with law enforcement and those impacted, and Senior Star remains fully cooperative with the investigation.

The safety, security and well-being of our residents, families and associates remain our highest priorities.
